IGNITE YOUR TORCH

A YOUTH CONFERENCE LIKE NO OTHER

COME AND SEE: YOU ARE LOVED!

- I really enjoyed, as I'm sure many did, how much the religious interacted with the participants. All the talks were super good, and the talent show was phenomenal!
- I appreciated the obvious love, joy and beauty that infused the entire conference. Overall, I am very moved by the entire event.
- Before I arrived at IYT I felt lonely, unloved, and sad. But after all the talks, especially the last keynote talk, I felt loved and wanted. I am very beyond grateful.
- I loved the Eucharistic adoration. It was so incredible, and everyone was so reverent, that I actually cried.

FIND THE ANSWERS

- Before Ignite, my faith and beliefs were totally different from the Church's stances. Now I am back with the Church and never want to go back.
- This entire weekend really changed how I felt and thought about religion. I was really touched by it all.
- Fr. Sibley's talk brought up points and facts that I'd never heard or thought of, and taught me that science and religion are compatible.
- Ignite reminded me how powerful my faith is. I've always been a good practicing Catholic, but I think it was more out of obligation. Ignite showed me how to make my faith MINE.

EXPERIENCE THE JOY

- I liked the way that we all had fun, but we still focused our attention on God.
- I will suggest this incredible retreat to all my friends. YOU ALL ROCK!
- I have never laughed so much in my life.
- I truly enjoyed the conference, especially when we were able to play ultimate Frisbee with the Brothers and Sisters.
- Ignite is an experience like no other. There's no better blend of fun & Jesus.

- I liked how sacramental and "of the Church" this conference is. It's about radically living one's faith but is less focused on creating a "retreat high." It's very refreshing. (Religious sister)
- I enjoyed the workshops... The fact that they were not dumbed down and that they touched on important and meaningful issues was awesome! ... In the discussions we could say/ask anything. (Participants)

IGNITE 2022 WILL FEATURE...

- Daily Mass, holy hours and the Sacrament of Penance
- Workshops and panels on topics of interest to youth
- Opportunities to meet other Catholic young people
- Time with young priests, religious sisters and brothers
- Icebreakers, recreation and live music
