# IGNITE YOUR TORCH

A YOUTH CONFERENCE LIKE NO OTHER

## COME AND SEE: YOU ARE LOVED!

- I really enjoyed, as I'm sure many did, how much the religious interacted with the participants.
- I liked how the small group was full of girls my age. I really enjoyed how including everyone was, specifically the religious.
- Before I arrived at IYT I felt lonely, unloved, and sad. But after all the talks, especially the last keynote talk, I felt loved and wanted. I am very beyond grateful.
- I loved the Eucharistic adoration. It was so incredible, and everyone was so reverent, that I actually cried.

## FIND THE ANSWERS

- I loved the way Ignite addressed today's social issues. It really pertained to where youth are struggling today.
- Ignite has helped me clarify my doubts and personal struggles regarding my faith.
- Everything in the talks was something that you could take from here and use it out in the real world.
- The conference helped make my faith more normal and not something to be embarrassed about.
- Before Ignite, my faith and beliefs were totally different from the Church's stances. Now I am back with the Church and never want to go back.

## EXPERIENCE THE JOY

- I liked the way that we all had fun, but we still focused our attention on God.
- I have never laughed so much in my life.
- I feel like I am more ready than ever to jump in and say YES to God and His plan for me!
- I saw so many fruits of the Holy Spirit, especially JOY....
- Ignite is an experience like no other. There's no better blend of fun & Jesus.

- I liked how sacramental and "of the Church" this conference is. It's about radically living one's faith but is less focused on creating a "retreat high." It's very refreshing. (Religious sister)
- I enjoyed the workshops... The fact that they were not dumbed down and that they touched on important and meaningful issues was awesome! ... In the discussions we could say/ask anything. (Participants)

## IGNITE 2023 WILL FEATURE...

- Daily Mass, holy hours and the Sacrament of Penance
- Workshops and panels on topics of interest to youth
- Opportunities to meet other Catholic young people
- Time with young priests, religious sisters and brothers
- Icebreakers, recreation and live music
